Bienvenidos

Our cocktail list was thoughtfully created with your well-being in mind.

We focus on refreshing drinks that complement the atmosphere on the top floor as you enjoy the view or sunset 32 floors above the ground.

Moreover, we source a good number of spirits from small producers who focus on quality instead of large scale production.

We carefully selected spirits without artificial additives. These are labeled with the  icon.

Mindful drinking indicates cocktails with low alcohol content, labeled with the  icon.
