

# Welcome to SETIR

## Where Freedom Begins

Welcome to Sunlight Ecotourism Island Resort. We are pleased to share your new home away from home.

Our island is especially unique because it is private, exclusive, and serene. Yet, our extensive amenities and activities elevate the natural beauty of this paradise.

Take in the island's beauty with its white sand beaches, clear blue waters, vibrant coral reefs, and panoramic views. Whether you're looking to explore local marine life, indulge in gastronomic experiences, or relax by the shore, freedom begins at your doorstep.

Our dedicated team is here to ensure your island experience is as relaxing and comfortable as possible. Your stay is our priority and we look forward to making unforgettable memories with you.

# Location

SETIR is a breathtaking island resort located in Culion, Palawan — a historic municipality that boasts pristine beaches, vibrant coral reefs, and crystal-clear waters. About a 45-minute boat ride from Coron, its close proximity allow guests to enjoy the beautiful views and underwater sights of both islands. We offer daily boat transfers from Coron to SETIR.

# Resort Reminders

Due to the resort's unique island setting, you may occasionally encounter minor interruptions beyond our control, such as intermittent Wi-Fi connectivity, fluctuating water pressure, or natural environmental factors.

The resort continues to undergo enhancements to further elevate our guests' future experiences. During this time, some areas may have ongoing construction, resulting in occasional noise and minor disruptions. We apologize for the inconvenience this may cause but please feel free to reach out to our staff for any concerns regarding this matter.

Please take note of additional reminders below to ensure an even more comfortable and memorable experience.

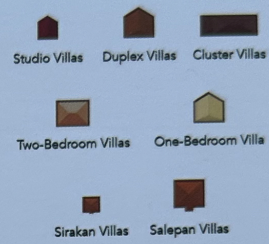

- Please keep your valuables inside your in-room safety deposit box and kindly keep your villa doors locked. The resort shall not be responsible for guests' lost belongings.
- The standard check-in time is at 2:00 pm while check-out is at 12:00 nn. For those who wish to extend their stay, a late check-out option is available for an additional fee.
- Please note that the resort will not be liable for any missed flights, so we recommend planning your departure accordingly. Kindly check with the Concierge to confirm your departure time.
- Children under 10 years old must always be supervised by an adult.
- As courtesy to others, please help us maintain a serene ambiance by keeping your voices down and minimizing noise, especially from 10:00 pm - 9:00 am.
- Please respect the privacy of other guests.
- Guests will be billed for any loss or damage caused to the property.
- For illness or injury, kindly notify the Concierge for assistance. In case of severe medical emergencies, resort management can help coordinate medical support.
- Firearms and hazardous chemicals such as gas cylinders and inflammable fluids are strictly prohibited.
- Management reserves the right to take appropriate action in the event of any incident involving untoward behavior from guests or staff.
- For your safety, please be mindful of natural ocean hazards, such as sharp corals and marine life like sea urchins that may pose a risk. We recommend wearing protective footwear and following designated swimming areas.

Please contact the Concierge at 3001 for reservations.  
\*For Salepan Villa guests, you may contact your assigned butler.

## Sustainability at SETIR

At Sunlight Ecotourism Island Resort, we are dedicated to preserving the natural beauty of Culion, Palawan. From eco-friendly operations and responsible waste management to supporting local communities, our commitment to sustainability ensures that the island's charm remains for generations to come.

### Waste Segregation & Recycling

At SETIR, we prioritize eco-friendly practices by properly disposing of waste and recycling materials on the island. Through proper waste segregation and recycling, we ensure a more sustainable and responsible approach to waste management.

### Minimizing Plastic Use

Reduce plastic waste by bringing your own reusable water bottle. Refill stations are conveniently located around the island for your use.

### Energy and Water Conservation

Conserve energy and water by turning off the air conditioning when leaving your villa and using water responsibly. Your small actions make a big impact on our island's sustainability initiatives.

### Farm-to-Table Ingredients

SETIR embraces sustainability with its farm-to-table ingredients, ensuring fresh and high-quality produce for our guests.

### Minimizing Food Waste

We encourage you to take only what you can consume during meals and buffets. Reducing food waste supports our commitment to responsible dining.

### Embracing Nature and Wildlife

Preserve SETIR's natural beauty by respecting the environment and its wildlife. Care for the plants, protect the animals, and leave no trace as you explore the island.

### Marine Conservation

Support marine conservation by practicing responsible tourism. Avoid touching or disturbing marine life, and use reef-safe sunblock to help protect the coral reefs and marine ecosystems.

### Encourage Nature Walks

Take a walk, ride a bike, and enjoy the island's breathtaking scenery. Minimize the use of buggies whenever possible — walking and biking are not only wonderful ways to explore the island, but also beneficial for your health and well-being.

### Supporting Local Communities

We continuously support local communities by sourcing and showcasing locally made products, helping preserve local craftsmanship and foster sustainable livelihoods.

# Quick Guide

## Adaptor

All villas are equipped with 220-volt/60-cycle electric outlets. Should you require an adaptor during your stay, they are available upon request. Kindly note that additional charges may apply if the adaptor is not returned upon check-out.

## Air Conditioning

For your comfort, all villas are equipped with individual air conditioning units controlled by a thermostat. To maintain optimal cooling and dehumidification, we recommend setting the temperature between 22°C and 27°C. Setting it below 22°C may affect the unit's performance.

## Airport & Boat Transfers

We offer complimentary land and boat transfers from Busuanga Airport to our island resort. The land journey typically takes around 45 minutes, depending on traffic conditions, and you will be dropped off at Sunlight Hotel Coron. From there, the boat transfer to the resort takes approximately 30 to 45 minutes, subject to weather conditions.
